Dear McPhee Electric LTD LLC:

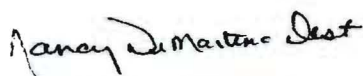

On behalf of the New England Division staff and volunteers of the American Cancer Society, I sincerely thank you for your recent gift of \$10,000.00. It means so much to all of us committed to this cause to have your support, and I want you to know that your money is hard at work. Your gift makes it possible for us to support you, your loved ones, and all those touched by cancer. We fund cancer research, educate the community about prevention and early detection, advocate for cancer legislation in Washington D.C. and at the state and local levels, and provide local services to patients and their families.

It is our mission to eliminate cancer as a major health problem. Between 1990 and 2015, we hope to prevent more than 2.3 million cancer deaths, avert 1.5 million new cancer diagnoses, and continue to improve the quality of life for people with cancer.

To learn how we are doing this, how you can get involved, or how we can help you, call 1-800-ACS-2345 or visit [www.cancer.org](http://www.cancer.org) anytime day or night.

Remember, we're here to help. And because of the generosity of people like you, we'll be here when people need us most. Thank you again.

Sincerely,

Nancy DiMartino Dest  
Director of Donor Relations & Donor Data Management

To reduce administrative costs, your gift was processed at a central facility. Please be assured that your gift will be credited to your local area.
