Dear Mr. McPhee:

Thank you and McPhee Electric for your generous gift of \$3,000.00 to the Dr. Andrew J. and Henrietta Panettieri Burn Center at Bridgeport Hospital. The Hospital's Board of Directors as well as the physicians, nurses and staff of the Burn Center join me in recognizing your philanthropic leadership, which will assist us in providing the most advanced burn care to our patients with warmth and compassion.

Your donation provides such important support for the work of the organization and reflects your genuine trust and confidence in Bridgeport Hospital. With your help we can continue to improve the health of the children, adults, and families we serve.

Thank you again for your thoughtful gift. Best wishes for a healthy and happy summer.

Sincerely yours,

Stephen M. Jakab, CFRE
