Good Morning Eric,

I wanted to take a minute to send you a note to let you know how pleased I am with the efforts of McPhee Electric as it relates to the Medium Voltage Yard / Generator Relocation Project at the Aetna Home Office at 151 Farmington Avenue. The quality of workmanship, the attention to detail and the level of competency was outstanding. I would like to thank you for all your efforts as well as those of David Piscatelli, Bill Moriarty, Scott Munson, John Lachnicki, Mike Smith, Gary Drake Ed Setaro and Erik Weiss. The project was extremely critical and complex and it was executed with great professionalism, precision and care. It has been a pleasure and privilege to work with such a great group of individuals.
