Dear Mr. McPhee:

It is my pleasure to acknowledge your recent gift to the University of Connecticut Foundation in support of the Calhoun Cardiology Golf Fund. As you know, the Tournament benefits the UConn Health Center and your gift will directly support the ***Jim and Pat Calhoun Cardiology Research Endowment Fund***.

The mission of the Health Center is to enhance lives by reducing the impact of disease through research, education and care. Your gift will help UConn's biomedical researchers and physicians in their quest to find new ways to prevent and treat cardiovascular disease.

Private philanthropy helps to fund many critical programs and projects that are not supported by traditional funding sources, and are vital to our ability to provide remarkable care through research and education. On behalf of the faculty, staff and patients of the Pat and Jim Calhoun Cardiology Center and the entire UConn Health Center, I thank you for your meaningful donation.

If you have any questions, please contact me at 860.486.1173 or at [annualgiving@foundation.uconn.edu](mailto:annualgiving@foundation.uconn.edu).

Sincerely,

Karen Santasiere '96  
Director, Annual Giving

Thank you!
