Cordon Bleu Culinary School

OWNER	CORDON BLEU CULINARY SCHOOL
Location	Cambridge, MA
Project Value	\$2,000,000
Completion date	October 2007
Major Challenge	Extensive kitchen equipment fit out, and working within a 100 year old occupied building.
General Contractor	Bovis Lend Lease

DESCRIPTION OF WORK

Complete fit out of a 90,000 square foot culinary school including a new power infrastructure of four 800 amp 3 phase 480 volt services and two 600 amp 3 phase 480 volt services for new mechanical and electrical loads. The loads consisted of 13 culinary classrooms equipped with 25 working stations each for students, several teaching classrooms, library, computer lab, and a new 5 star restaurant with a complete commercial kitchen. There was also a complete addressable fire alarm system installed in the school with additional infrastructure for future capacity for the entire building.
