## The Hartford Insurance Company

<b>OWNER</b>	<b>THE HARTFORD FINANCIAL SERVICES GROUP</b>
<b>Location</b>	Simsbury, CT
<b>Project Value</b>	\$4.5 million (initial electrical project)
<b>Completion date</b>	1985 (initial phase)
<b>Major Challenge</b>	Large facility with multi-phase schedule.
<b>General Contractor</b>	BB&E
<b>DESCRIPTION OF WORK</b>	
McPhee started this relationship in 1985 when we performed the initial electrical construction for this state of the art "Data Center and Life Facility." Since then, this partnership has evolved through various expansions and upgrades. We continue to perform small projects and electrical maintenance in this facility on a regular basis. McPhee is proud to be involved in keeping this facility at the forefront of corporate and data center performance.
