United Rentals - UPS Upgrade

OWNER	UNITED RENTALS CORP
Location	Shelton, CT
Project Value	\$600,000
Completion date	May 2008
Major Challenge	Currently have one UPS supplying 2 PDU units. No shutdown of old UPS because of critical 24/7 systems connected.
General Contractor	McPhee Electric
DESCRIPTION OF WORK	
Installation of an additional new UPS and PDUs for computer center. Redesigned the UPS room, installed a new feeder in order to have both new and existing UPS units each supplying only one PDV.
